

HCCS Advanced Physics Tutoring Program Registration

Howard County Chinese School (HCCS), a non-profit organization, offers advanced physics classes to tutor students to accelerate in their academic achievement of advanced physics courses on SUNDAYS: AP Physics 1&2 (2:00-4:00), AP Physics C (10:00-12:00), and Olympiad Physics (12:00-1:00). The qualified teaching staff and unique learning environment with highly motivated classmates help to improve students' problem-solving skills efficiently. Different level programs are designed to meet various desires.

Come and join other talented students, find your potentials, boost your energy, and enhance your problem-solving skills. Inquiries are directed to hccs.physics@gmail.com for physics programs, and register@hccs-md.org for registration issues. Please view more information about HCCS, its location, and directions on the HCCS homepage www.hccs-md.org.
