Dear Kevin Huang,

Thank you for your contribution of \$5.00 to SIMIODE. We very much appreciate your support. Your funds will help us with our mission to build a community of colleagues who wish to teach differential equations in a new way – modeling-first and throughout.

SIMIODE is a 501(c)3 educational foundation. Thus, your contribution is tax deductible on United States Income Tax returns. For your contribution you received no services or goods, only the grateful appreciation of our community.

As one way of saying, “Thank you,” we have added your name to our [Contributors and Supporters](#).

Again, thank you very much for your support.

Sincerely,

A handwritten signature in green ink that reads "Brian J Winkel".
